PROFESSIONAL SUMMARY

Graphic designer with 4+ years of experience across corporate design, product marketing, and print media. Skilled in Adobe Photoshop, Adobe Illustrator, and Canva, with hands-on experience in AI-assisted design, photography, and video production. Known for translating brand and product concepts into clear, visually compelling designs that communicate effectively to their intended audience.

WORK EXPERIENCE

Graphic Designer | Grayscale

Karachi | Nov 2024 – Present

- Develop creative concepts and visual designs from scratch for social media, product marketing, corporate communications, and large-format print media.
- Create product-focused marketing creatives for Alsons Technology, Alsons Defence, AAS Foundation, and external clients, translating technical information into engaging visuals.
- Design corporate banners, posters, backdrops, promotional materials, and marketing collateral while maintaining brand consistency.
- Produce visual assets using Adobe Photoshop, Adobe Illustrator, and Canva, incorporating AI-assisted tools for concept development and creative exploration.
- Contribute to end-to-end content production and photography/videography, including commercial shoots, testimonials, and corporate events.
- Manage design revisions and feedback while delivering polished, production-ready assets across digital and print applications.

Social Media Manager | Posh Education & Migration Services

Remote (Australia) | Aug 2023 – Feb 2024

- Designed social media content strategies for a global audience.
- Created posts that resonated with audiences and sparked engagement.
- Produced eye-catching reels showcasing company services.
- Designed targeted ad creatives to boost brand visibility.

Graphic Designer | Burhani Online Store

Karachi | Nov 2022 – Aug 2023

- Designed and managed social media content for brand presence.
- Designed ad copies for digital marketing campaigns.
- Designed and managed website artwork, including banners.
- Designed brochures and flyers for print marketing.
